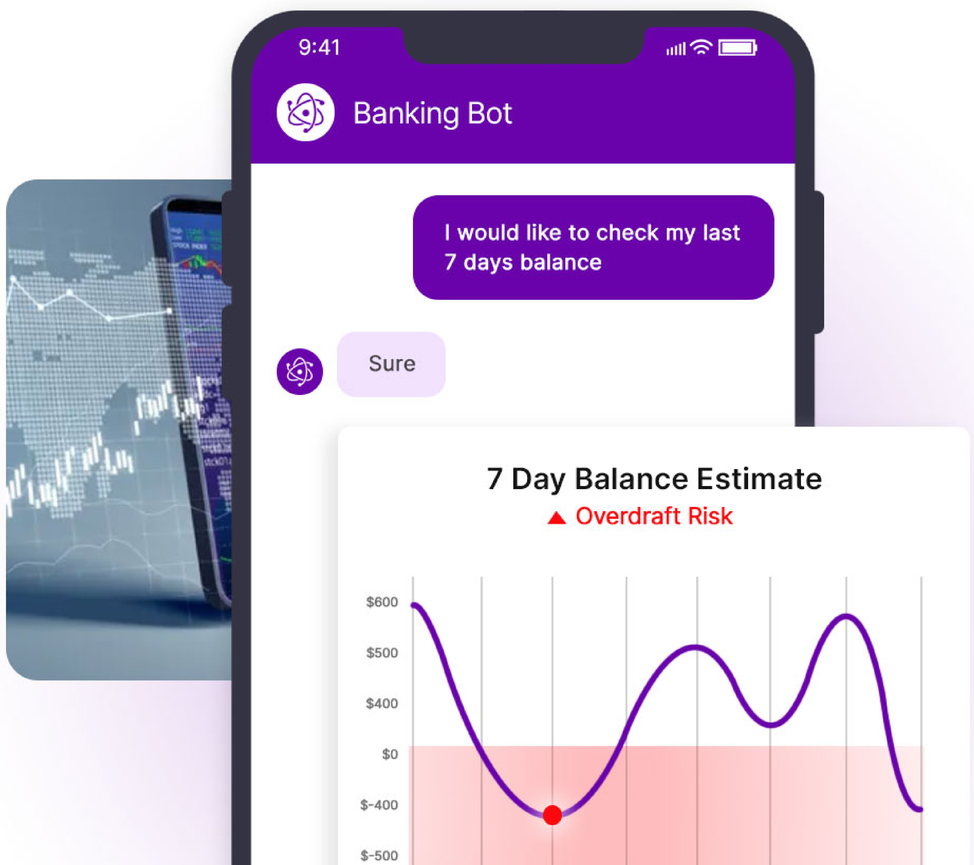
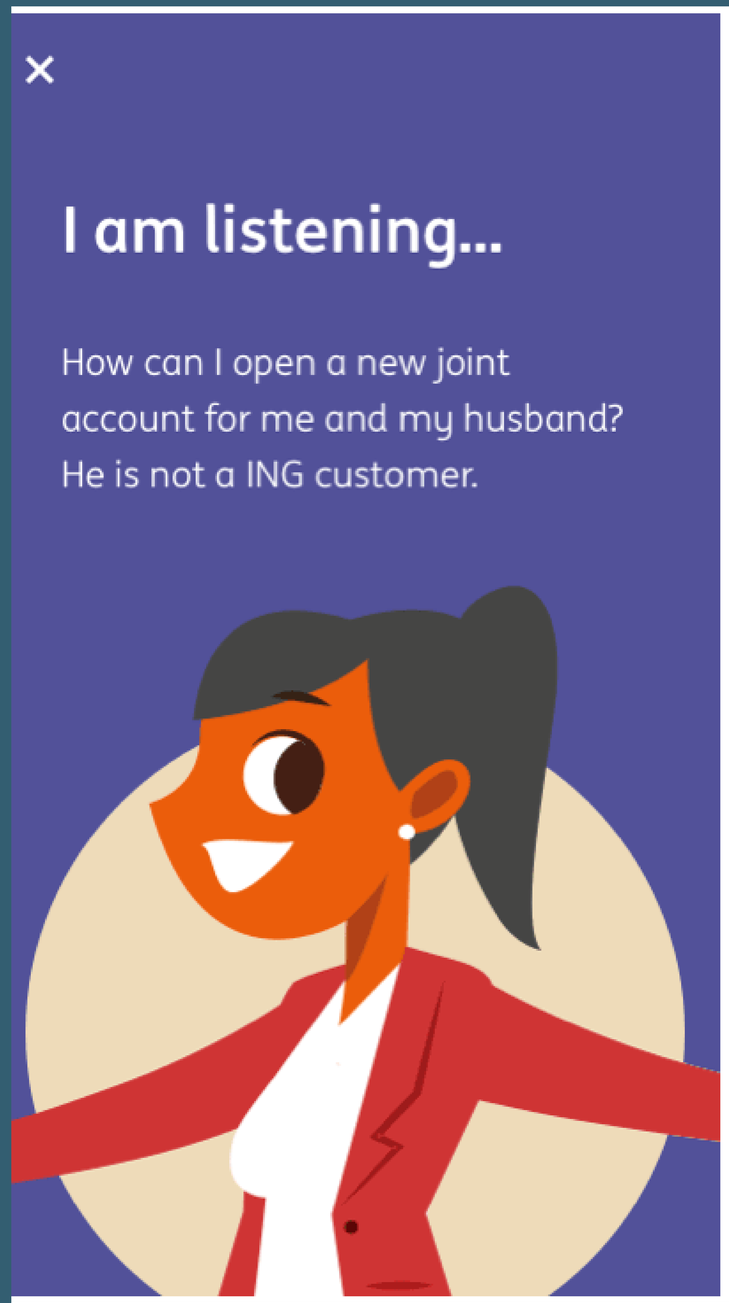
What is banking bot ?

Banking BOT is the one stop solution to all your bank queries.No need to travel all the way to the bank and wait for long time.just unlock your cell phone and login into banking BOT .

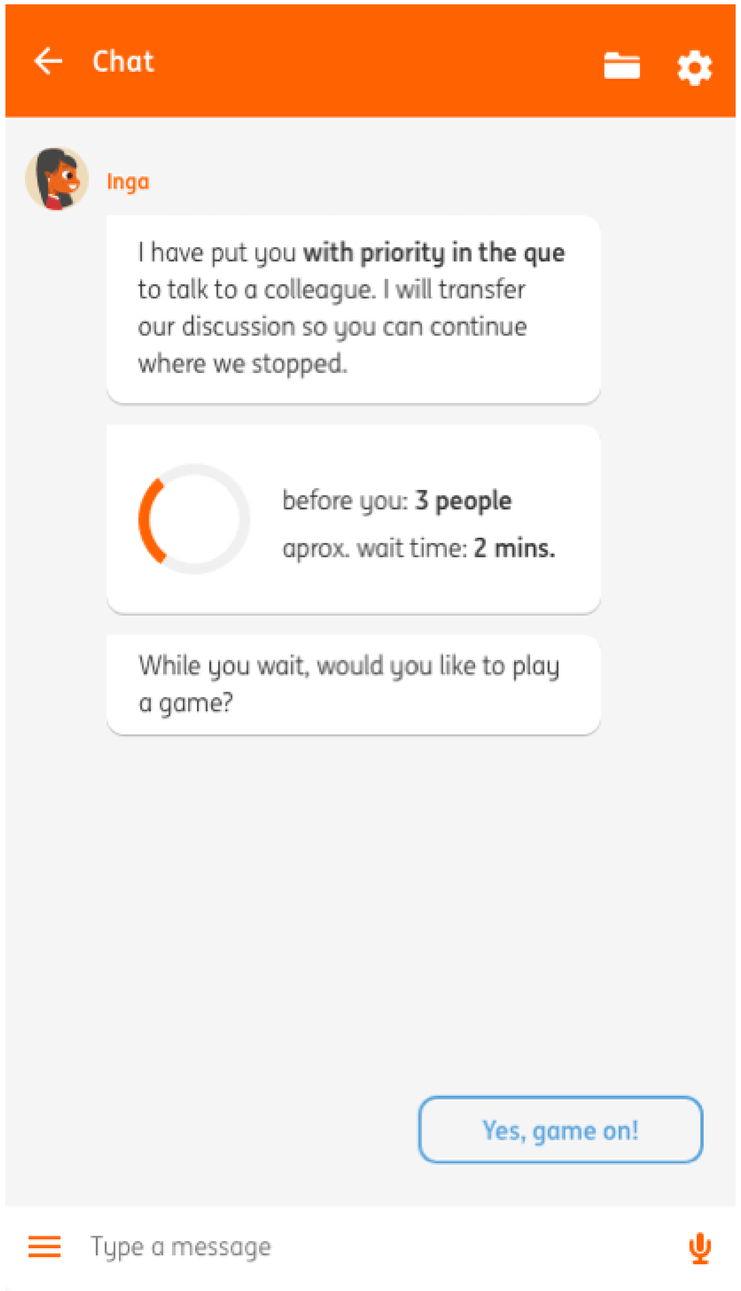
Banking bot will give the answers right away.



- Know your Balance
- Know your transaction history
- Know the details of the offers
- Get reminders to pay at the time



I am listening...
How can I open a new joint account for me and my husband? He is not a ING customer.



Chat
Inga
I have put you with priority in the que to talk to a colleague. I will transfer our discussion so you can continue where we stopped.
before you: 3 people
aprox. wait time: 2 mins.
While you wait, would you like to play a game?
Yes, game on!
